

Aung Ko Oo

Junior Web Developer (PHP / Laravel)

✉ tonymcross440@gmail.com ☎ 09751900301 📍 Pyin Oo Lwin

Profile

I am writing to apply for the Junior Laravel Web Developer position. With a passion for web development and proficiency in Laravel, I am eager to contribute my skills and grow with your team. My experience includes building dynamic websites using Laravel and collaborating effectively in agile environments. As a junior developer, I have gained practical experience in Laravel through various projects, where I have successfully implemented robust features and ensured seamless functionality. I am confident that my technical skills, combined with my strong work ethic and dedication to continuous growth, make me an ideal candidate for this role. I am eager to contribute to your team's success and take on new challenges in Laravel web development. I am proficient in PHP, HTML, CSS, and JavaScript, and have a solid understanding of database management using MySQL. I currently following Vue.js and LinuxOs.
